Trying to figure out
What you're life's about
But you lost the view
Of me and you

You say you'll try to change
But you stay the same
You're wrong, so wrong

All your life goes
Round in circles
All this time goes
I'm still running back to you

Now it's been a while
Since I've seen your smile
I've been moving on
'Cause you're finally gone

Have you changed your ways
Or have you stayed the same
I'm lost, so lost

All your life goes
Round in circles
All this time goes
I'm still running back to you

All your life goes
Round in circles
All this time goes
I'm still running back

All your life goes
Round in circles
All this time goes
I'm still running back to you

All your life goes
Round in circles
All this time goes
I'm still running back to you

I'm running back to you
