Why should I care? What should I do?
Change who I am, cuz you don't like my point of view.
Judgement comes from all sides, there is no middle
ground.
Double standards can't measure my worth, I am who I
am.
I don't dress to please.
And I don't care, I don't care who sees.
You'll never be satisfied by me.
Why should I care, what should I do?
Change who I am cuz you don't like my point of view.
Am I now trying to win the approval of all men?
I tried that in the past, the end result won't last.
And I don't care, I don't care who sees.
You'll never be satisfied by me
(2x)
I have reason for what I do.
I have my convictions too
(2x)
I know what He did for me a servant of God I will always
be
Look at yourself before you judge me.
You've got nothing better to do,
Than prove who's better than who.
LOOK INSIDE OF YOU!!
