No change was made within.  
You back deep in sin.  
You left your father's side.  
Now to drugs you run and hide.  
You were so easily trapped.  
I was so easily fooled.  
You came face to face with a trial.  
You couldn't bear the load.  
Excepting the world's deceptions, your purity corrodes.  
Full scale war between darkness and light.  
Lives destroyed, on which side will you fight.  
Your addictions have sapped your heart and strength.  
Compromising what you use to think.  
The bottom of a bottle blurred your vision.  
I'm devoted full throttle.  
It's time to make a decision.  
I'll hold you down for your own good.  
You'd take me out if you could.  
The bottom of a bottle blurred your vision.  
I'm devoted full throttle.  
It's time to make a decision.
