What caused a love so special to be broken down to misery?  
Everything caused me agony.  
And in your eyes, did you see the consequences of your actions.  
My life was changing before you.  
Maybe you were just blinded.  
Blinded by your own selfishness.  
But now I am much stronger.  
And I have decided to make a change.  
And I have learned from your mistakes.  
A family torn by reckless decay.  
A love that was pure turned to hate.  
A child left so scared and afraid.  
What happened to your commitment so sacred?  
Separation, threw me into depression.  
A child born loved, now torn by divorce.  
All I could do was watch your love fade away.  
Our lives were forever changed.  
But when I think about all the mistakes you had made.  
My heart now gives forgiveness for all you could not change.  
Nothing makes me stronger than the love of family.  
You didn't love each other, but you still loved me.
