On my knees  
I sweat blood  
I pray in agony  
I realize my fate  
On me all sin's weight  
Take this cup away  
Your will and not mine  
By a kiss  
Must I be betrayed  
Taken in chains  
Denied three times  
Beaten for my name  
Mocked and spit in my face  
Scourging reveals my bone  
Floating in a sea of blood  
Thorns on my head  
Nails in my hands  
Betrayed by friends  
To save enemies  
Beaten for my faith  
Mocked and spit in my face  
Scourging reveals my bone  
Floating in a sea of blood  
I must trust the father  
I know what must be done  
Here I am on the cross  
Covenant fulfilled  
Abba Father I trust in you  
Let my death please you  
Don't let one drop be in vain  
Thorns on my head  
Nails in my hands  
Betrayed by friends  
To save enemies
