It's the seventh star - a last warning to all
It's the seventh star - it's either nothing or all
The earth is groaning
The rocks are screaming out for help
The cup is tipped, the bowl poured out
God's wrath coming down
It's the end of the world
Your exploits now spelled out
No rock underneath your feet
Only sinking sand
Living life in a comfort zone
Trying to please God and man
Man
The eye of God sees lukewarm deeds
His mouth disgorges lethargy
With a tepid faith, and a deafened ear
Laodecian heart - I will spit you out
It's the seventh star - a last warning for all
It's the seventh star - it's either nothing or all
In his right hand - the seven stars
In his mouth a double edged sword
Do you hear the impending sound?
Thunder that shakes the ground
The creation cries out now
For the son of man he knocks
Let him in
In
The eye of God sees lukewarm deeds
His mouth disgorges lethargy
With a tepid faith, and a deafened ear
Laodecian heart - I will spit you out
It's the seventh star - a last warning for all
It's the seventh star - it's either nothing or all
