Quiet peaceful scene of chaos  
A drifter's crying hopeful tears  
Is this the place where I can rest?  
And try to clear my dark clouded mind  
(Clouded mind)  
What used to be an empty soul  
In need of shelter from the cold  
Has found serenity, and from day one he was told...

Unconditional love remains our burning flame  
Hope our guiding light  
And whenever you're breaking  
Or if you feel misunderstood  
We'll stand together and fight  
Won't you read the sign boy!

No matter where you're from  
This is your home  
We're tearing down all the walls brother  
It doesn't matter how far you've gone  
Welcome to Mercy Falls  
Where nobody's leaving

Heavy hearts from rain sometimes  
But it's alright cause bear in mind  
In the eye of Ike all safe and sound  
Soon the sun will shine  
Well... don't you stay... a broken man  
Spread the word... enlighten them  
Go find yourself in the crowd  
We all have faith in you

Unconditional love remains our burning flame  
Hope our guiding light  
And whenever you're breaking  
Or if you feel misunderstood  
We'll stand together and fight  
Won't you read the sign boy!

No matter where you're from  
This is your home

We're tearing down all the walls brother  
It doesn't matter how far you've gone  
Welcome to Mercy Falls  
A chance to find inner peace

No matter where you're from  
This is your home  
We're tearing down all the walls  
Brother, stay here 'til your dying day  
We invite you to Mercy Falls  
Where the light keeps changing
