Cause I've been here ten thousand days
And I never cease to be amazed
By the simplest of wonders
Like when my little girl smiles
Or the rain comes falling from the sky
I'm content in the moment as I wait for you

And I want to know you, tell me your name
Your name is a mystery, for you I'll wait
You are so alluring
Believe me when I say "I love you!"

I would wait a lifetime to find you
Here is where I'll be

The waiting is the hardest part
Even more so for impatient hearts like me
Who find a way to miss all the moments
But when patience finally pays its dues
And my eyes they finally fall on you
How sweet, how sweet it will be

So I say I love you, I know your name
Your name is a promise, I won't play any games
You are so alluring
Believe me when I say "I love you!"

I would wait a lifetime to find you
Here is where I'll be

I would wait a lifetime to find you
Here is where I'll be
