There they go out on the street again

I just don't know what she sees in him.

I just don't know what to do about Jeremy

I saw them on a date again

She hangs around with all of my old friends

Most of them don't care too much for Jeremy.

There they go again

out on the street

I don't think that...

[she coulda had me]

I called her up the other night

asked her if she's feeling alright

asked her why the hell she hangs with Jeremy

It was good to hear her voice again

She says she'd like to keep me as a friend

She wants me to get to know Jeremy

(Guitar Solo)

I heard they got engaged the other day

She called me up just to hear what I had to say

I hope she has a good life with Jeremy
