A frigid chill, not of winter blows through hallowed lands.

The mastermind of extermination... intervention as a business plan.

A sickening feeling sates the soul in the hearts of sentient men,

A frigid chill, not of winter fervently sets in.

Afghan civilians cradle their dead in shrouded burial rags.

Brainwashed soldiers of holy wars come home stuffed in body bags.

A sickening feeling sates the soul in the hearts of sentient men,

A frigid chill, not of winter fervently sets in.

And icy storm of hate and fear reigns down in Berlin,

A frigid chill, not of winter fervently sets in...
