

Severed Head Of State "Sacrifice"

Visit "[Sacrifice](#)" on MotoLyrics.com

Sacrifice your newborns to the vehemence of the
machine

Sacrifice your hours to the tick of the clock in the
factory

We, the bartered, the offering

We, the bartered, the offering

Sacrifice your children to the coming years of darkness
and pain

Sacrifice your life to the age of illusion, the incoming
rain

We, the bartered, the offering

We, the bartered, the offering

Sacrificed to the vultures of war

Sacrificed to the unseen force

Sacrificed like the first unborn

Sacrifice
