Intro: "All the way to the bottom, Maggie! You made it!  
AAAAAGGGGGHHHH!!!"  
Here are words I may not read  
(Big Car can be seen)  
Shine headlights on me  
Here are paths I may not tread  
(Big Car can be seen)  
Shine headlights on me  
C If you ever thought to calm down  
Come down and see me / It's now I need you  
and never an unkind word need be said  
about your life overhead  
Here are calls I may not hear  
(Big Car can be seen)  
Shine headlights on me  
Here are sights I may not see  
(Big Car can be seen)  
Shine headlights on me  
"Look out, buster, you're about to be run over by some  
guru."
