My first steps
Hope it's for the best
Someone I fell for
Such falls won't pass muster
Scrutiny and I need all I can get
Nil by mouth she said
C And when you tell lies an angel dies
Maybe I could take a loan
See somebody where love is money
But you can't pay yourself
To fill yourself with desire for someone--C
"Oh oh, another woe is me, maybe. At least no one is
flying, for
Christ's sake.
