

Severed Heads "Greater Reward"

Visit "[Greater Reward](#)" on MotoLyrics.com

Give me back myself, for I am held by something else
above
And while I am true to you in love, my wings are not for
you
You can hold me all my life but paradise can take me
twice
When I go to my greater reward, it's a throne I'll take on
my own
C Told you, hold me now
I'm enthralled in a greater reward
The Earth for you
but fate may take me anyday
"There are some feelings which remain private. Now I
hope that no one
Thinks via this that I've gone all religious."
