

Severed Heads

"King Of The Sea"

Visit "[King Of The Sea](#)" on MotoLyrics.com

Here is the cup that holds your chances (all hail the
king of the sea)

Here is the fruit of the sea

Take this wine and toast your new life (all hail the king
of the sea)

Parade your watery state

C Here your reporter treads water / Here your reporter
loses his air

Here your reporter treads water / Here lies your future

Here you are, the watery power / King of liquids and
prince of thirst--C
