### "Son Of"

Visit "[Son Of](#)" on [MotoLyrics.com](https://MotoLyrics.com)

1 I've got a load / a load inside of me

2 I've got a line of white / faster than misery

3 I'm far from home / and I'm lonely

(3,1,1,3)

4 I've got a line of work / that takes a few lives

5 The heart is back in town / make this punch a punch  
for me

(1,1,3,4,1,1)

6 Eve's soul / burns in hell / Eve's soul / burns in hell...

"Written before going on tour (1986). Strangely  
enough, about a

travelling boxer."
