Shit addiction drives me to kill  
Morbid temptations are revealed

Fecal mess upon your chest  
Lovely stench the bitch is blessed  
You will die and so will you, because you ate my poo  
Shove my feces down your throat  
Using your skull for my urinal

Eat my shit filthy slut  
Choke on it, excrement  
Bowel movement  
Horrid breath, taste of death  
Lovely stench, the bitch is blessed

As I shit upon your face  
Can't resist the taste  
You will die and so will you, because you ate my poo  
Eat my shit you dirty whore  
In her cold cunt I left my trace  
Between her legs I buried my face

Open up the orifice  
Chew the clit  
Rape the bitch  
Chew the ass  
Tongue the gash  
Slit the clit

Bitch

I will kill the fucking holy  
While I rape the virgin Mary  
She will eat my fucking piece of shit  
While I shove it down her fucking throat

As I shit upon your face  
Can't resist the taste  
You will die and so will you, because you ate my poo  
Shit addiction drives me to kill  
Morbid temptations are revealed  
Fecal mess upon your chest

Lovely stench the bitch is blessed  
As I shit upon your face  
Can't resist the taste  
Shove my feces down your throat  
Using your skull for my urinal
