I've seen you in the mirror  
When the story began  
And i fell in love with you  
I love yer mortal sin  
Yer brains are locked away  
But i love your company  
I only ever leave you when you got no money  
I got no emotions for anybody else  
You better understand i'm in love with my self  
My beautiful self  
A no feelings a no feelings  
A no feelings  
For anybody else  
Hello and goodbye in a run around sue  
You follow me around like a pretty pot of glue  
I kick you in the head you got nothing to say  
Get out of the way 'cos i gotta get away  
You never realise i take the piss out of you  
You come up and see me and i'll beat you black and  
blue  
Okay i'll send you away  
I got no feelings a no feelings  
No feelings for anybody else  
Exept for my self my beautiful self dear  
There aint no moonlight after midnight  
I see you stupid people out looking for delight  
Well i'm so happy i'm feeling so fine  
I'm watching all the rubbish you're wasting my time  
I look around your house and there's nothing to steal  
I kick you in the brains when you get down to kneel  
And pray you pray to your god  
No feelings a no feelings  
No feelings for anybody else  
Exept for my self  
Your daddy's gone away  
Be back another day  
See his picture hanging on your wall
