People said we couldn't play  
The called us foul-mothed jobs  
But the only notes that really count  
Are the ones that come in wads

They all drowned when the air turned blue  
'cos we didn't give a toss  
Filthy lucre, ain't nothing new  
But we all get cash from the chaos

The time is right to do it now  
The greatest rock'n'roll swindle  
The time is right to do it now

E.m.i. said you're out of hand  
And they gave us the boot  
But they couldn't sack us, just like that  
Without giving us the loot

Thank you kindly a & m  
They said we were out of bounds  
But that ain't bad for two weeks work  
And 75,000 pounds

The time is right to do it now  
The greatest rock'n'roll swindle

The time is right to do it now

The time is right to do it now  
The greatest rock'n'roll swindle  
The time is right to do it now

I just wanna play with my hand  
Are you good enough for me  
Hiya boys i'm the choosen one  
Can't you fucking see

I'm a jealous God and I want everything  
And I love you with a knife  
I'll take you, if you're ready for me  
And i'll give you my life

The time is right to do it now  
The greatest rock'n'roll swindle  
The time is right to do it now

The time is right for nickey's special  
The greatest rock'n'roll star  
The time is right for me, now!
