"Holiday In The Sun"

I don't want a holiday in the sun

I want to go to the new Belsun

I want to see some history

"Cause now I got a reason of an economy

Oh now I got a reason, now I got a reason, now I got a reason, and I'm still waiting

Now I got a reason, now I got a reason, to be waiting

The Berlin Wall

It sits around sounds in a two inch wall

I was waiting for the communist call

I didn't ask for sunshine

And I got world war three

I'm looking over the wall

And they're looking at me!

Oh now I got a reason, now I got a reason, now I got a reason, and I'm still waiting

Now I got a reason, now I got a reason, to be waiting

The Berlin Wall

They're staring all night

And they're staring all day

I had no reason to be here at all

And now I got a reason

It's no real reason

And I'm waiting

The Berlin Wall

I'm gonna go over the Berlin Wall

Claustrophobia

It's too much paranoia

It's too many curfews?

When will they fall

And now I got a reason

It's no real reason

To be waiting

The Berlin Wall

I'm gonna go over the Berlin Wall
