suburban kid, ya got no name two ton(e) baby and ya  
got no brain i bet you're only happy in suburban  
dreams but i'm only laughing cause you ain't in my  
scheme hey baby i love you i love you i love you i only  
ever listen when you're on the phone >from your safety  
where you sit at home when i got nothin' better to do  
then there is always you cause you're good for my  
shoe hey baby i love you i love you i love you i'm in love  
yeah in love oh, can't you feel it? no i don't like where  
you come from it's just a satellite of london and when  
you look me in the eye just remember that i wanna die  
hey baby i love you i love you i love you you're the  
name but you can't tell lookin' like you just came outta  
hell how did ya figure that'd you'd any use? all you're  
gonna get is my abuse hey baby i love you i love you i  
love you i love you
