I'm a street walking cheater with a heart full of napalm  
I'm a run-away son of a nuclear A-bomb  
I am a world's forgotten boy  
the one who's searchin' to destroy

somebody gotta help me please!  
somebody gotta save my soul!  
baby will ya take my mind?!

look out honey 'cause I'm using technology  
ain't got time to make no apology

Soul resurrected in the dead of night  
love in the middle of a fire fight

honey got to help me please  
somebody gotta save my soul!  
baby will ya take my mind?!

Honey, I'm the world's forgotten boy  
the one who's searchin', searchin' to destroy  
[repeat]

look out honey 'cause I'm using technology

ain't got time to make no apology

Soul resurrected in the dead of night  
love in the middle of a fire fight

honey got to help me please  
somebody gotta save my soul!  
baby will ya take my mind?!

Honey, I'm the world's forgotten boy  
the one who's searchin', searchin' to destroy  
[repeat]

forgotten boy  
forgotten boy

YEAH!
