Look at that  
Here she comes  
Here comes that girl again  
One of the cutest since I don't know when  
But she don't notice me when I pass  
She goes with all the guys from outta my class  
But that can't stop me from thinkin' to myself  
She's sure fine lookin', man, she's something else

Look at that  
'Cross the street  
There's a car built just for me  
To own a car would be a luxury  
But right now I can't afford the gas  
A brand new convertible is out of my class  
But that can't stop me from thinkin' to myself  
That car's fine lookin', man, it's something else  
Hey, look at that  
Just wait and see  
Worked hard and saved my dough  
I buy that car and then I roll up with Joe  
Get me that girl and we go ridin' around  
We look real sharp with the wide top down  
I keep on dreamin' and thinkin' to myself  
When it all comes true, man, that's something else

Hey, look at that  
What's all this?  
Never thought I'd do this before  
But here I'm a-knockin' on her door  
My car's out front and it's all mine  
It's a '41 job not a '59  
I got that girl and I'm thinkin' to myself  
She's sure fine lookin', man, she's something else
