I I I I I'm not your stepping stone
I I I I I'm not your stepping stone

You're trying to make your mark in society
Your using all the tricks that you used on me.
I read about you baby in those magazines
The clothes you're wearin' girl are makin' scenes.
I I I I I'm not your stepping stone
I I I I I'm not your stepping stone
Not your stepping stone,
Not your stepping stone.

When I first met you girl you had no shoes
Now you're walking ' like you're front page news.
You've been un-faithful about the friends you choose
You won't find me in your book of Who's.
I I I I I'm not your stepping stone
I I I I I'm not your stepping stone
Not your stepping stone,
Not your stepping stone.
Im not a steppin stone
Im not your stone again
Im not a crock

I I I I I'm not your stepping stone
I I I I I'm Not a stepping stone,
You're tryin to make your mark in society
Your usin' all the tricks that ya used on me
I read about ya baby in those magazines
The shit your wearin is torn at the seams

I I I I I'm not your steppin stone
I I I I I'm not your steppin stone
I I I I I'm not your stone
