I'm on a submarine mission for you baby  
I feel the way you were going  
I picked you up on my tv screen  
I feel your undercurrent flowing

Submission going down down  
Dragging me down submission  
I can't tell ya what I've found

You've got me pretty deep baby  
I can't figure out your watery love  
I gotta solve your mystery  
You're sitting it out in heaven above

Submission going down down  
Dragging me down submission  
I can't tell you what I've found  
For there's a mystery  
Under the sea in the water  
Come and share it

Submission going down down  
Dragging me down submission  
I can't tell ya what I've found  
'Cause it's a secret  
Under the water in the sea  
Octopus Rock

Got me pretty deep baby  
I can't figure out your watery love  
I gotta solve your mystery  
You're sitting it out in heaven above

Submission going down down  
Dragging me down submission  
I can't tell ya what I've found

Submission Submission  
Going down down under the sea  
I wanna drown drown under the water  
Going down down under the sea
