I'm on a submarine mission for you baby
I feel the way you were going
I picked you up on my TV screen
I feel your undercurrent flowing

Sub mission
Going down down
Dragging her down
Sub mission
I can't tell you what I found

You've got me pretty deep baby
I can't figure out your watery love
I got to solve your mystery
You're sitting it out in heaven above

Sub mission
Going down down
Dragging her down
Submission
I can't tell you what I found

Well, it's a mystery
Under the sea
In the water

Sub mission
Going down down
Dragging her down
Submission
I can't tell you what I found

Cause it's a secret
Under the water
In the sea
It's an octopus rock

You've got me pretty deep baby
I can't figure out your watery love
I got to solve your mystery
You're sitting it out in heaven above
Sub mission

Going down down
Dragging her down
Sub mission
I can't tell you what I found

Sub mission
Sub mission
Going down, down, under the sea
I wanna drown, down, under the water
Going down, down, under the sea
