"You Need Hands"

Visit "[You Need Hands](#)" on MotoLyrics.com

You need hands to hold someone you care for
You need hands to show that you're sincere
When you fear nobody wants to know you
You need hands to brush away the tears

When you hold the brand new baby
You need tender hands to guide them on their way
You need hands to thank the Lord for living
And forgiving us this day

You need hands to show the world you're happy
And you need hands when you have to stop the bus
But the hands we love so dear
Are the hands we love to hear

Are the hands that You give to us
Everybody holds the hands that You give to us
Hold on, I don't believe it, fantastic, that's so wonderful
