I took her out I picked her up in my speeder  
I told her mom that I was happy to meet her  
I told her dad I'd have her home before the second sun  
sets  
I'm so into her

I took her to meet my mom got rebel markings on her  
arm  
Took her to meet my dad I'm so lame this girls so bad

(Chorus)  
Cause she drives a speeder bike to school (she's so  
cool)  
Spends her nights in Mos Eisley don't know why she  
hangs out with me  
She drives a speeder bike to school (she's so cool)  
When all the other guys see her with me they're  
surprised  
She drives a speeder bike to school

She drinks Juri Juice and Ithorian Mist  
She tasted like Mujo Fruit the first time that we kissed  
And I don't think she'll ever under-stand how much I  
care  
I'm frozen in awe

Took her to Anchorhead the funny part was when she  
said  
She loves spending time with me I just smiled I can't  
believe

(Chorus)

And when I think of all the time I spent in fear of talking  
to her  
I realize it was a waste of time because now she's my  
girlfriend for sure  
And when we talk about all of the planets that we'll see  
together  
I know she's mine and she sure knows that I'm gonna  
be hers forever

(Chorus)

She's so cool  
She's so cool
