Better Off

Wasted time in your arms, better off on my own

Sitting 'round lookin' dumb, while you're out havin' fun

Better off on my own

Felt like something is wrong, turned around you were gone

Don't expect me to wait, don't come back, it's too late

Better off on my own

Tried to work this out, what the hell went wrong?

All the things I done, I did for you

I won't take you back, it's too late for that

This time we're through

No way, you'll never come back, there's nothin' left to say

If you come back to me, you'll watch me walk away

No way, I'll never do that, the way you treated me

Lucky, I'm down, now I'm not around

I'll be stronger alone, you hurt me for so long

Do what you have to do, I'll be glad when we're through

Better off on my own

Tried to work this out, what the hell went wrong?

All the things I done, I did for you

I won't take you back, it's too late for that

This time we're through

No way, you'll never come back, there's nothin' left to say

If you come back to me, you'll watch me walk away

No way, I'll never do that, the way you treated me

Lucky, I'm down, now I'm not around

I can see things so clear now I'm older

Like a drug, I was hooked now I'm over you

I see now we were wrong for each other

I'm much better off without you

No way, you'll never come back, there's nothin' left to say

If you come back to me, you'll watch me walk away

No way, I'll never do that, the way you treated me

Lucky, I'm down, now I'm not around

No way, you'll never come back, there's nothin' left to say

If you come back to me, you'll watch me walk away

No way, I'll never do that, the way you treated me

Lucky, I'm down, now I'm not around

No way, you'll never come back, there's nothin' left to say

If you come back to me, you'll watch me walk away

No way, I'll never do that, the way you treated me

Lucky, I'm down, now I'm not around

No way, you'll never come back
