don't wanna hear you say

haaa aaah! haaa aaah!

don't wanna hear you say

haaa aaah!

don't wanna hear you say

haaa aaah!

I wanna live my life, but the truth's not easy

I wanna see you cry

I wanna share the pain

you're not the only one

the only one that's hiding

times too short to waste

for our long goodbyes

don't wanna hear you say

don't wanna hear you say that you're alone and you
thinking my place

don't wanna hear you say

don't wanna hear you say that we can make it work coz
you've changed

please don't tell me that the sun's no shining when it
really ain't

I wanna hear you say

I wanna hear you say, that you will finding and doing ok
and I don't wanna hear you say
I'm gonna make pretend
seeing you leave was easy
or there's no why we gonna mend
what we gonna become?
I wanna hear you say you miss me
I wanna hear that you need me
coz time too short to waste
on our long goodbyes
don't wanna hear you say
don't wanna hear you say that you're alone and you
thinking my place
don't wanna hear you say
don't wanna hear you say that we can make it work coz
you've changed
please don't tell me that the sun's no shining when it
really ain't
I wanna hear you say
I wanna hear you say, that you will finding and doing ok
It's hard enough for me doing what I gotta do
gotta take your broken heart and the pieces back to
you
but if you were to say
you were to say
that you'll find another man
I'll be the one I want to wishing making it's too long
goodbye

haaa aaah! haaa aaah!

don't wanna hear you say

don't wanna hear you say that you're alone and you
thinking my place

don't wanna hear you say

don't wanna hear you say that we can make it work coz
you've changed

please don't tell me that the sun's no shining when it
really ain't

I wanna hear you say

I wanna hear you say, that you will finding and doing ok

don't wanna hear you say

don't wanna hear you say that you're alone and you
thinking my place

don't wanna hear you say

don't wanna hear you say that we can make it work coz
you've changed

please don't tell me that the sun's no shining when it
really ain't

I wanna hear you say

I wanna hear you say, that you will finding and doing ok

don't wanna hear you say
