You may be beautiful

We've had a magical time together exploring each other sexually

We get along so well

But I think you should know that I might not be in love with you

When were together I love those nights

But when were apart I feel the emptiness

but there are times when I look in your eyes

And I see that I'm losing the whole of my life

Oh if I'm in love ill let you know if you're the one I'm thinking of

And If you're not the one then I'm moving on cos its not worth hanging on

Ooh you're insatiable, girl you know how to pull my strings

Without me There's a match that we can never seem to bring ourselves to talk about us

I really think that I could be in love with you

When we see each other, it feels so right

But right from the start you're still my emptiness

But in the heat of the night

When it all feels alright

I'm left thinking what am I doing yeah

Oh if I'm in love ill let you know if you're the one I'm thinking of

And If you're not the one then I'm moving on cos its not worth hanging on

ooo yay

Please understand I don't mean to hurt you but I've gotta get with my life

And I feel it in my heart that were better off apart and I'm left thinking what am I doing

Oh if I'm in love ill let you know if you're the one I'm thinking of

And If you're not the one then I'm moving on cos its not worth hanging on

Oh if I'm in love ill let you know ill let you know ill let you know if you're the one I'm thinking of

And If you're not the one then I'm moving on cos its not worth hanging on

(Ooooo if I'm in love)

I'll let ya know if I'm thinking about ya

I'll let you

I'll let you

I'll let you
