Moouoove on, Moouoove on

doop doop, doop doop be doo doo doo

doop doop, doop doop be doo doo doo

Moouoove on, Moouoove on

When we met, we were cool, we were just fine

Now you're acting strange and obsessively

Hide my things cause you don't want me to leave you

Take my phone, credit cards and my hou-ouse keys

You think that I don't know you're stalking me

It's about time that you get the hell on

Right that's it I've had enough

I've caught you out, I've called your bluff

now Moouoove on, Moouoove on

Knew that i would catch you out, no longer want your
ass about

Moouoove on, Moouoove on

doop doop, doop doop be doo doo doo

doop doop, doop doop be doo doo doo

Moouoove on, Moouoove on

How much more of me do you want like

Say you're a troubled soul and you never sleep [without
me]

There's only so much I can do

Before I end up hating you

You think I can't ignore the lies you tell

That's on your conscience now

Right that's it I've had enough

I've caught you out, I've called your bluff now

Moouoove on, Moouoove on

Knew that i would catch you out, no longer want your
ass about

Moouoove on, Moouoove on

doop doop, doop doop be doo doo doo

doop doop, doop doop be doo doo doo

Moouoove on, Moouoove on

doop doop, doop doop be doo doo doo

doop doop, doop doop be doo doo doo

Moouoove on, Moouoove on

Time to let me go cause I don't want you for sure

Don't want you snooping around my back door

Don't want you on my phone why you won't leave me
alone

I can't take no more, read my lips its over

Right that's it I've had enough

I've caught you out, I've called your bluff now

Moouoove on, Moouoove on [Move on]

Knew that i would catch you out, no longer want your
ass about

Moouoove on, Moouoove on

doop doop, doop doop be doo doo doo

doop doop, doop doop be doo doo doo

Moouoove on, Moouoove on

Right that's it I've had enough

I've caught you out, I've called your bluff now

Moouoove on, Moouoove on [Move on]

Knew that i would catch you out, no longer want your
ass about

Moouoove on, Moouoove on
