Ripples on The Water

It's been a while, it's been a while

If only I could see you searching to touch you

I wouldn't miss you

So many nights spent watching the tides

Waiting for that one wave in a million to bring you to me.

Coz we are ripples, we're ripples on the water

Coming from two separate tides of the world

But it doesn't matter

Coz I'm just somebody's son and you're somebody's daughter

There's no reason, there's no reason why we can't be together

Thousands of times, sat down to write

All of the words I thought you'd wanna hear

And I can talk 'til I'm blue in the face but it don't mean nothin' (nothin')

Coz all, all you need to know from me

Is that I'll still be here with ya 'til your last goodnight

Coz we are ripples, we're ripples on the water

Coming from two separate tides of the world

But it doesn't matter

Coz I'm just somebody's son and you're somebody's
daughter

There's no reason, there's no reason why we can't be
together

Like ripples on the water

We can be together

There's no reason, there's no reason

Why we can't be together

There's no reason, there's no reason

Coz we are ripples, ripples on the water

Coming from two separate tides of the world

But it doesn't matter

Coz we are ripples, ripples on the water

Coming from two separate tides of the world

But it doesn't matter

Coz I'm just somebody's son and you're somebody's
daughter

There's no reason, there's no reason why we can't be
together

Like ripples on the water

Like ripples on the water
