Suffocate

Suffocate, oh man, I can't breathe, ok, ok, oh yeah

Help me now, can you hear me coz I'm crying out

You got me on the floor, I'm crawling for the door

Tell me now, what I gotta do to get me out

I'm boxed in by these walls, you're drummin' out my call

Smiling through gritty teeth, ready for the moment when

I make 'em like a thief, but you won't let me go

I'm real inside this cage n I'm alive with rage

It's torn me up and it's destroyed my soul

It's time to big up and move on (hey)

Get my head off the ground (hey)

I need to breathe (woah oh oh)

So got offa me (woah oh oh)

It's time to big up and move on (hey)

Gotta find a new direction (hey)

I gave you myself (woah oh oh)

Wish I could be somewhere else (woah oh oh)

And don't suffocate (suffocate)

With the things you say that I should say

Don't sabotage my thoughts

Replace them with your own

Smiling through gritty teeth, ready for the moment
when

I make 'em like a thief, but you won't let me go

I'm real inside this cage n I'm alive with rage

It's torn me up and it's destroyed my soul

It's time to big up and move on (hey)

Get my head off the ground (hey)

I need to breathe (woah oh oh)

So got offa me (woah oh oh)

It's time to big up and move on (hey)

Gotta find a new direction (hey)

I gave you myself (woah oh oh)

Wish I could be somewhere else (woah oh oh)

Let's go!

Oh oh oh oh, oh oh oh oh

Oh oh oh oh, oh oh oh oh

Don't suffocate me, (oh) don't suffocate me (oh)

Get offa me, (get offa me), get offa me, (get offa me)

It's time to big up and move on

Big up and move on

Big up and move on

Big up and move on

It's ok, oh yeah, I can't breathe

It's torn me up and it's destroyed my soul

It's time to big up and move on (hey)

Get my head off the ground (hey)

I need to breathe (woah oh oh)

So got offa me (woah oh oh)

It's time to big up and move on (hey)

Gotta find a new direction (hey)

I gave you myself (woah oh oh)

Wish I could be somewhere else (woah oh oh)

Oh oh oh oh, oh oh oh oh

Oh oh oh oh, oh oh oh oh

Don't suffocate me, (oh) don't suffocate me (oh)

Get offa me, (get offa me), get offa me, (get offa me)

Suffocate, get offa me
