I once believed in miracles, the moon came out the day
you left my life
And now I'm lonely
More than just a physical attraction we were two souls
intertwined
Now it's all gone

When you came you took my fear away
Now I see how much you meant now you're not with me
(with me, with me, with me)

Oh uhoh oh oh oh oh
Don't say were only kiddin' ourselves
Oh uhoh oh oh oh oh
Don't say that we're two distant worlds apart

Do you know I was a ghost before you came
And I walked the corridors alone in this game
Stepping from the shadows you gave me the strength
You found me a name

All remains as is and your perfume, dress no life past
the stone
You were my only
Praying for that innocence and one day perhaps your
safe return
My darlin'

Then you came and you took my fear away
How will my life be the same now you're not with me

Oh uhoh oh oh oh oh oh
Don't say were only kidding ourselves
Oh uhoh oh oh oh oh oh
Don't say that we're two distant worlds apart

Aaaah, oh ahhhâ€¦â€¦.

Oh uhoh oh oh oh oh oh
Don't say were only kidding ourselves
Oh uhoh oh oh oh oh oh

Don't say that we're two distant worlds apart
