I can't think, of anything,  
That I would rather spend my time with  
It's always, so refreshing,  
To know I've got a special friend right here  
Like a beacon, always there,  
To pick me up when I'm feeling down  
He has changed, Quite a few times,  
Since his birth in 1958  
Not a different dew, Just a new view,  
Sitting on the shelf of my grocery store

I love you mountain Dew  
I hope that you do too  
It's always the same  
Never gonna change  
Mountain Dew Is definitely the best

Stupid rumours, going 'round  
About what yellow number 5 can do  
I want you to, rest assured  
That these rumours are completely untrue  
They invented, the big gulp,  
To allow you to take bigger sips  
If you asked my, second favorite,  
I would say Mountain Dew code red  
And if you're tired, don't drink a Red Bull  
Go buy yourself an Amp Energy Drink

I love you mountain Dew  
I hope that you do too  
It's always the same  
Never gonna change  
Mountain Dew Is definitely the best
