I wanna be a boy
'Cause right now I'm a girl
I wanna be a boy
'Cause right now I'm a girl
I wanna be a boy
'Cause right now I'm a girl
I wanna be a boy
'Cause right now I'm a girl

I don't wanna shave my legs, the venus razor sucks
I don't wanna play with dolls, wanna drive a pick-up
truck
Can't stand wearing make-up, it's a waste of time
If I could get a wiener put on, well that would be just
fine

I wanna be a boy
'Cause right now I'm a girl
I wanna be a boy
'Cause right now I'm a girl
I wanna be a boy
'Cause right now I'm a girl
I wanna be a boy
'Cause right now I'm a girl

I just wanna be a man, with a great big bushy beard
Watching football sunday nights, kicking back and
drinking beer
One day I'll get married, and that'll be the life
Work all day then every night, I'll come home and beat
my wife

I wanna be a boy
'Cause right now I'm a girl
I wanna be a boy
'Cause right now I'm a girl
I wanna be a boy
'Cause right now I'm a girl
I wanna be a boy
'Cause right now I'm a girl
