We set out sailing on the seven seas  
To plunder and pillage anything we pleased  
The loyal members of this scurvy crew  
Did exactly what the captain wanted us to

It's Rum all day and its rum all night  
Talking parrots it's a Pirates life.  
Look around me and what do I see  
A perfect day for a mutiny

Yo ho ho and a bottle of rum  
We'll steal some money then we'll kill someone  
Look out captain 'cause we're coming for you  
Davey Jones you'll be seeing him soon.

Charlie grabbed the captain  
And Francis watched the seas  
The Captain Begged for mercy as he fell down to his  
knees  
The time had come for all the crew to stand up and be  
frank  
We picked him up and tied his arms and made him  
walk the plank

Yo ho ho and a bottle of rum  
We'll steal some money then we'll kill someone  
Look out captain 'cause we're coming for you  
Davey Jones you'll be seeing him soon
