I go out, every night,
Looking for a girl to treat me right
I take em back, to my place,
To only get a slap right in the face
I gotta try, something new,
Say baby this is just between me and you
And you, mean so much to me,
So open your eyes and see the

Sunsets on my lake, Sunsets on my lake
Watching them all, Watching them all
Sunsets on my lake, Sunsets on my lake
Watching them all, Watching them all

The sun had set, the girl had gone,
And finally nothing had gone wrong
She liked the sun, and she liked me,
So finally together we could see the

Sunsets on my lake, Sunsets on my lake
Watching them all, Watching them all
Sunsets on my lake, Sunsets on my lake
Watching them all, Watching them all
Sunsets on my lake, Sunsets on my lake
Watching them all, Watching them all
