I always wanted to be
A fire fighting man
Driving my big red truck
And saving peoples lives

I always wanted to be
An aboriginee
Playing the didjereedoo
And hunting Kangaroo's

I always wanted to be
An AstroPhysicist
But that's a lot of work
And I'm a lazy shit

I know you won't understand
My lost desires
I know you won't understand
These things I want

I always wanted to be
In a hardcore screamo band
Staring down at my feet
And screaming all the time

I know you won't understand
My lost desires
I know you won't understand
These things I want

And I always wanted to be
A fire fighting man
I'll never change my mind
It's what I -ken, want to be
