When I was young I'd wonder what I'm gonna do  
I have no talent, I can't even tie my shoe  
I am a waste of air a regular bum  
But I don't need no school I'm happy being dumb

What are you gonna do?  
What are you gonna do?  
What are you gonna do?  
What are you gonna do?  
With your life

While kids have dreams of being popular and rich  
All I will ever be is a stupid little bitch  
got nothing to my name besides just what you see  
Guess I'm just meant to live in mediocrity

What are you gonna do?  
What are you gonna do?  
What are you gonna do?  
What are you gonna do?  
With your life

In case you didn't know we really kinda suck  
We like to scream bad words like shit and...  
I'm not gonna say it  
We're kinda ugly so we'll never make it big  
In fact I doubt we'll ever get another gig so

What are we gonna do?  
What are we gonna do?  
What are we gonna do?  
What are we gonna do?

What are we gonna do?  
What are we gonna do?  
What are we gonna do?  
What are we gonna do?  
Be in a band
