Thanks again you saved me from the mess im in
Friends have said your up there in the clouds again
But I'll be back with something new, I swear to it
Don't shut me down

And when I float past your house
Don't want an ear full
I know what you'r going thru

All this game is a choke hold
Don't over concern yourself
Don't always call wanting
Thanks again! No, thanks again!

Close your eyes shut it all out
Gonna laugh till the blood leaves my head
Cut off the air
Is this a joke?
Am I waking up?

But your only back again
It's not me, not me
Wrap your hands around my neck
Don't let go

All this game is a choke hold
Don't over concern yourself
Don't always call wanting
Thanks again! No, thanks again!
God I'm so low, thanks again!
This is not really me

I Bought your faith on credit cards
All you fear is what you are
It's Just like waking up
No way
Not me
