This is my way home
It's easy to steer this machine
But frequencies just keep me down
But it keeps coming on.
If I could just sit here, drowning
Steer this thing to somewhere
I'm craving something I can't find in you
Don't keep me drowning
Just leave me here floating
Craving something I can't find in you
Don't keep me drowning
Mixed up American girl

Breathing again. (I know you inside out)
Breathing again. (There's nothing inside of me)
Breathing again. (Maybe I'll keep driving)
Breathing again.

This is my way home
I've been here a million times before
You'd think I'd know by now
But it's coming on
If I could just sit here drowning
Make believe you're someone
I'm craving something I can't find in you
Don't keep me drowning
Just leave me here floating
Craving something I can't find in you
Don't keep me drowning
Mixed up American girl

Breathing again. (I know you inside out)
Breathing again. (There's nothing inside of me)
Breathing again. (Maybe I'll keep driving)
Breathing again.

Between you and me
I know slowly we break
I know we're all the same
Between you and me
I know slowly we break
I know we're all the same

Yeah, between you and me
I know we'll keep running away from here
So, I'm never coming home for you disco girl
