Lets get the party started.

Like this...

Put my make up on,  
A little bit on the mac can hook it up real tight.  
Gotta have my shell toes on, with the fat laces and the  
fresh blue stripes  
Turn my cell phone off, cause you aint goin find me for  
the rest of the night  
Now we gotta go coz i aint goin try standing in nobodys  
line

Chorus

Wanna get this party started  
Wanna get this party started.  
We understand your bout 2 close  
But we just not ready to go!  
We got this party started  
We got this party started  
We understand your bout 2 close  
But we just not ready to go!

Now we r up in the spot  
Am bout to grab a couple bottles am goin choose,  
Cause I wanna get hot  
Cummon shake sum, cause am about 2 get loose  
n Am not trying 2 stop couldn't get much later cause  
you no wots goin on,  
n we goin till 6 oclock n if you cant keep up then you  
needa go home!

Chorus

Wanna get this party started  
Wanna get this party started.  
We understand your bout 2 close  
But we just not ready to go!  
We got this party started  
We got this party started  
We understand your bout 2 close  
But we just not ready to go!

I just found out that you've got a little piece of crunk  
in you,  
But a little piece of that aint fill the magic with the... A  
wont b back,  
Just grap a little piece of my hair if you pull back like  
you want me,  
But you wont get a piece of that till you can drop that  
like you wont that!

Chorus

Wanna get this party started  
Wanna get this party started.  
We understand your bout 2 close  
But we just not ready to go!  
We got this party started  
We got this party started  
We understand your bout 2 close  
But we just not ready to go!

I wanna cryyyyy!  
Cum here really close stand rite behinddd!  
Don't turn up those lights its on 2nite!  
Your body feels so good to me  
Baby give me what I need

We aint goin no were...cause we goin tear the club  
up!  
We aint goin no were...cause we goin tear the club  
up!  
We aint goin no were...cause we goin tear the club  
up!  
We aint goin no were...cause we goin tear the club  
up!
