(Marv Green/Thom McHugh)

This old world's gone crazy
My life's living proof
Always running around, no time to slow down
I don't know what I would do
If I didn't have you

Day in, day out
And every night from dusk till dawn
This world spins round
And girl you keep me hanging on
When the winds of doubt are blowing
Your love keeps me going somehow
Day in day out

I get so worn out and worried
Keeping up this pace
But you ease my mind every time
I get caught up in the race
You're my saving grace

Day in, day out
And every night from dusk till dawn
This world spins round
And girl you keep me hanging on
When the winds of doubt are blowing
Your love keeps me going somehow
Day in day out

Day in, day out
And every night from dusk till dawn
This world spins round
And girl you keep me hanging on
When the winds of doubt are blowing
Your love keeps me going somehow
Day in day out
Day in day out
Day in day out
