Window seat
30,000 feet
Above the ground
Blue moon beams
On silver wings
Brings me down
Slippin off my coat for the long night flight
I find a note she wrote last night
I can almost hear those words
As I close my eyes

Chorus:
Goodnight sweetheart
Sleep tight, wherever you are
God hold you in His arms
While we're apart
Though you're far away
Your love will stay
Tucked away here in my heart
Goodnight sweetheart,
Sleep tight wherever you are

These days I leave
The one who needs
Me more and more,
It seems.
It's a high price that she pays,
For the dreams I dream.

So, (Chorus):
Goodnight sweetheart
Sleep tight, wherever you are
God hold you in His arms
While we're apart
Though you're far away
Your love will stay
Tucked away here in my heart
Goodnight sweetheart,
Sleep tight wherever you are

Goodnight sweetheart,
Sleep tight wherever you are
