Okay, I admit it  
I'm seeing someone  
And it's gotten beyond  
A movie or two

Now you boys were present  
When I swore off fallin' in love  
But that was never really meant  
As a hard and fast rule

I'm not sayin' I will  
I'm not sayin' I won't  
I'm just feelin' somethings  
That I usually don't  
I'm starting to see the attraction  
Of settling down

Now, I mighta been rash  
Talking take 'em or leave 'em  
That night down at Buster's  
That bull about freedom  
She's sure something  
Something to think about

She's tender-hearted  
Open and honest  
I can sit and talk  
With her all night

She's so smart and charming  
Not to mention she possesses  
Those qualities you  
Superficial guys like

I'm not sayin' I will  
I'm not sayin' I won't  
I'm just feelin' somethings  
That I usually don't  
I'm starting to see the attraction  
Of settling down

Now, I mighta been rash

Talking take 'em or leave 'em  
That night down at Buster's  
That bull about freedom  
She's sure something  
Something to think about

She's enough to make me reconsider  
My views on vows and rings and such  
Mortgages and babysitters  
The consequences of falling in love

I'm not sayin' I will  
I'm not sayin' I won't  
I'm just feelin' somethings  
That I usually don't  
I'm starting to see the attraction  
Of settling down

Now, I mighta been rash  
Talking take 'em or leave 'em  
That night down at Buster's  
That bull about freedom  
She's sure something  
Something to think about  
Oh, she's something  
Something to think about
