Darlin', ever since I met you  
I've been dying to let you  
Have this heart of mine

Honey, I've got a lot to give you  
But I'll be honest with you  
It's gonna take time

Girl, you've got to help me  
Prove to my heart  
I need to know this love is real  
Before I can start to go

Fallin' head over heels  
Ain't nothing better than the way love feels  
But when love don't fly  
And someone turns and walks

There's a heart  
That's gonna hit the rocks  
It ain't the fall that'll kill ya, baby  
It's the sudden stop

Oh, no, never thought I would recover  
Never thought I'd find another  
That I'd ever trust again

But darlin', you keep makin' it better  
Just lettin' me know forever  
Is somewhere in your plans

I'm working up the courage  
To step out on the ledge  
And let your love carry me  
Over the edge and go

Fallin' head over heels  
Ain't nothing better than the way love feels  
But when love don't fly  
And someone turns and walks

There's a heart

That's gonna hit the rocks  
It ain't the fall that'll kill ya, baby  
It's the sudden stop

Fallin' head over heels  
Ain't nothing better than the way love feels  
But when love don't fly  
And someone turns and walks

There's a heart  
That's gonna hit the rocks  
It ain't the fall that'll kill ya, baby  
It's the sudden stop

It ain't the fall that'll kill ya  
Fallin' head over heels  
It's the sudden stop  
(Fallin' head over heels)

It ain't the fall that'll kill ya  
It's the sudden stop  
(Fallin' head over heels)
