Little Miss MacEntyre
I'm tellin' you how
Come on stoke this fire
I'm beggin' you now
Come on feed this desire
If your heart allows

If there's anything you need to know about me
Come a little closer I think you will see

Everything is much clearer
When you're lookin' at me
Take a look in the mirror
And you will see
There's no need to fear her
And her deepest needs

If there's anything you need to know about me
Come a little closer I think you will see
