Too hard to hold
Two hearts so cold
Too hard to say goodbye ooooooh

Now when IÂ'm lying here alone
Playing back the life we had together
Time was the only thing we had
Now I know that nothing last forever
I canÂ't stop thinking about you and when I close my
eyes I see your face

Too hard to hold
Two hearts so cold
Too hard to say goodbye ooooooh
Too hard to cry
Too hard to try
Too hard to say goodbye to someone like you

I wonder were you are tonight
Without you here it feels so lonely
Girl why did you tear it all apart
In my heart you were the one and only
I canÂ't stop thinking about you and when I close my
eyes I see your face

Too hard to hold
Two hearts so cold
Too hard to say goodbye ooooooh
Too hard to cry
Too hard to try
Too hard to say goodbye to someone like you

I just need something to hold on to
To help me find another way
Just give me something to hold on to
Then IÂ'll have the strength to carry on

solo

Too hard to hold
Two hearts so cold
Too hard to say goodbye ooooooh

Too hard to cry
Too hard to try
Too hard to say goodbye to someone like you

Repeat and fade..
